Highland County Historical Society

Fourth Quarter - 2007

From the Director's Desk -

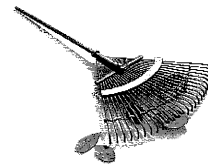

Labor Day has come and gone and now we must turn our attention to all that follows. The "Home Town" Committee has already chosen (with owner's permission) the Harsha Monument building to be the house for you to add to your collection this year. Mark with Highland Enterprise will again do the cutouts.

The Piano Fund has definitely progressed, however the local newspaper article stated we only needed \$1000 in order to match Nancy Axmacher's donation. There was a misunderstanding. We had **ONLY REACHED \$1000** in the quest of matching her \$5000. **PLEASE HELP MEET THE GOAL!!** Some have donated generously—but we need you! Any amount will help.

After September comes October with our Cabin Cookout and the Pre-Christmas Sale. Please fill out and send in the reservation form in this newsletter. The program for the evening will be quite different and you certainly will enjoy it.

See you at the cookout (or else later you will be sorry you missed it).

Margaret Van Frank

Greetings from your President:

As we move into the fall season, we look forward to the changing of the trees as the leaves put on their garments of red, orange and yellow. The holiday season is just around the corner. The Highland House Museum will be gaily decorated and the gift shop will have many items to choose from for that special someone.

We have two more membership meetings this season: September 27 and October 25. The September meeting will begin at 7 PM, with the program to be announced. The October meeting serves as our yearly membership meeting and Log Cabin Cookout. Note the special starting time of 6 PM. The program for October is in charge of Cheryl Porter and John Glaze and will feature our newly acquired Decker Piano. This beautiful instrument once graced the C. H. Collins' home on East South Street and belonged to Mr. Collins' daughter, Nellie.

Brenda Bradds has resigned as secretary and Jeanne Wilkerson has graciously accepted the position. Pam Limes has resigned her position on the board and has been replaced by Bob Dunlap. In October there will be an election for one trustee.

We need more participation from you members out there! We also need volunteers to watch over the museum during open hours, and our programs could stand more audience participation.

Jean Wallis
